In the Howard Circuit Court,
May Term, 1843.
Haman B. Million, complainant, vs. Eliza Jane Million, defendant.
In Chancery.

NOW, at this day, comes the above named complainant, by his solicitor, and it appearing by the allegations in the bill of complaint, filed by said complainant against the said defendant, that on or about the first day of January, 1837, the said complainant was joined in the bonds of matrimony with the said defendant, that they lived together as man and wife from that time till about the month of November, 1838, when the said Eliza Jane Million, without any cause or provocation whatever, absented herself from the bed and board of the said complainant against his will and consent, and has continued to remain away ever since; that the said complainant treated the said defendant affectionately as a wife, and provided for her according to her state and condition, &c. And it further appears from the return of the Sheriff endorsed upon the Subpoena issued herein that the said defendant has not been served with process—and the Court satisfied that the said defendant is a non-resident of the State of Missouri.

The prayer of the bill is, that the said defendant may be compelled to answer the said bill, or the same will be taken for confessed. It is further ordered that this notice be published in some newspaper printed in the State of Missouri for eight weeks successively, the last insertion to be at least four weeks before the commencement of the next term of this Court.

A true copy of the order.
